BRIDE

## ELIGIBILITY CONDITIONS FOR MARRYING AT ST MARY'S BARNES

You may be married in St. Mary's when either the bride or bridegroom (or both) live in the Parish of Barnes which is most of SW13. You may also be married at St. Mary's if you satisfy any of the following qualifying connections:

- if this is the parish where you were baptised and/or confirmed (please let us know baptism and/or confirmation dates)
- if you have lived in this parish for 6 months or more, at any time during your lives (please give your current or previous address in Barnes)
- if you have attended worship in this parish for at least 6 months
- if this is the parish where your parents have lived or worshipped (during your lifetime) (please give their current or previous address in Barnes)
- if your parents or grandparents were married in this parish (please give their marriage date)

If either (or both) of you have been married before and divorced this is not a barrier to being married in the Anglican Church but it is something that needs to be discussed with the priest who is going to marry you. Weddings can be arranged on most days Monday – Saturday but before making any arrangements it is very important that you check to see if your preferred date is possible for us at St. Mary's. After you have filled out the marriage application form and sent it to us we will be able to check your eligibility and confirm your booking.

## GUIDANCE NOTES REGARDING OCCUPATION OF BRIDE, GROOM AND FATHER

The Registrar of Marriages has issued the following guidelines for the completion of 'Occupation' in the Marriage Register.

Please try and give a specific description of the occupation of the Groom, Bride and Father. Terms such as engineer, surgeon, company director or doctor mean very little on their own. Further classification is required, for example, mechanical engineer, tree surgeon, company director (furnishings), doctor of medicine.

Names of companies, such as BT, should not be used. Members of Public Service should give their title, who they work for and their service number, for example, Police Constable – London Metropolitan Police, Chief Technician – Royal Air Force, Service No. 25232301

If you have queries regarding this guidance, please ring the Church Office on 0208 741 5422.
