

Barnes in Devon 2015

(see also Kristen's report: <https://ringingatstmarys.wordpress.com/2015/08/31/barnes-summer-outing-a-first-for-me/>)

This year, 26 past and present Barnes ringers descended on Bovey Tracey in Devon for a mixture of quarter peals, general ringing and socialising. The tour ranged from the recently augmented 12 at Crediton in the north, to the very fine ancient 4 at Torbryan in the southwest. For several of us, the visit to Wobbly Bob's Campanile was the first experience of a mini-ring, very different and challenging for some of us, as were several of the traditional long Devon tailends which we encountered. As always, many thanks to all of the Devon locals who made this all possible, especially to the one and only Wobbly Bob. MJW.
