

**1995 - 2015**

The Friends of St Mary's Barnes was formed in 1995 to raise funds for this historic building and to develop its place at the centre of the Barnes community. Over the last twenty years a wide range of events has been held from concerts to talks, from balls to fashion shows, all of which have brought many people into the church and helped to broaden its links with the community. These events have raised considerable funds for the church and for local and international charities. We welcome all as Friends of St Mary's Barnes
