Family time

Talk – In the story, there were many barriers to David and Jonathan’s friendship. How were they able to overcome these. What might make it difficult for us to remain friends with someone? How might we overcome any difficulties?

Do - Discuss friendships you have. Ask an older Member of your family about their friendships. Do They have a friend they have known for years? Have they Lost contact with a once close friend? Why?.

Pray – Make time to pray together for friends and loved ones.

Who is a good friend of yours?
Why don't you draw them a special picture for them to show what a true friend they are...
