

Welcome to St Mary's, whether you are joining us in church or online.

If you are coming to the church, we will ask for your contact details if we don't already have them, in line with NHS Track and Trace regulations. Along with using the provided hand sanitiser and maintaining social distancing, **wearing a face** covering is now mandatory, unless you are exempt for medical reasons. Those leading service, including readings and prayers are not required to wear face coverings unless they are within 2m of others. The priest will wear a coving for the administration of Holy Communion. Please do not attend if you are experiencing any symptoms.

We will continue to put services [online](#) for those unable to come to church.

Full details of our plans for services can be found [here](#).

**Lockdown Lessons Forum:** We had a very good discussion recently. It identified the value of providing space (online and in person) to process everything that has happened, and to plan ahead for the coming months when sadly many may lose their jobs and the challenge of suppressing the virus will continue. **More tea Rector?** As lockdown eases somewhat, do let me know if you would like me to visit sometime. I can bring my own mug and flask and chair, and we could chat in a garden or through your window depending on your circumstances or have a socially distanced walk. Monday-Wednesday afternoons are usually available for me at the moment. [revdjames@stmarybarnes.org](mailto:revdjames@stmarybarnes.org)

**Church scrapbooks** will be featured on the [History & Architecture](#) page on our website and on social media.

**St Mary's charity of the month: [AGE UK Richmond](#).** The charity had to shut down activities at our Barnes Green Centre during the Covid-19 lockdown but we hope to start socially distanced activities at the Barnes Green Centre and in the community as soon as they are allowed. Older people are missing their exercise classes! Our Twickenham Centre became the headquarters for distributing food and essentials to those in need across the other side of the Borough. With the amazing generosity of shops, suppliers, our dedicated staff and volunteers we were able to cater for many isolated people. We were able to operate our Telephone befriending service helping many isolated people feel connected in their local communities across Richmond. We were also able to run most of our other services online advising people on their Welfare Benefits, running our essential and respected Hospital from Home and enabling creative new projects online to help the community during the long lockdown. We will give you more information about the future throughout the month. Inevitably this has meant a drop in our donations and grants so please consider supporting us through this difficult transition period from lockdown to an uncertain future for the charitable sector. Our grateful thanks go to our supporters and volunteers and resilient staff throughout the past four months. AGE UK Richmond, Parkway House, East Sheen, SW14 8LS Telephone: 0208 876 3625
