

**Welcome to St Mary's.** We hope you enjoy worshipping with us. If you are here for the first time please make yourself known to one of the clergy or sidespeople. Do take this sheet home with you.

### Prayer for the week

Be a bright flame before me, O God, a guiding star above me,  
a smooth path below me, a kindly shepherd behind me,  
today, tonight, forever. Amen.  
(Prayer of St Columba)

**The Retreat:** Families with young children may like to use the Melvill Room (door beside the organ) as a Retreat space for young children who are getting restless. The service is relayed into there and there are toys and books for children. There is also coffee available for adults.

**Church Electoral Roll:** Every six years the Church Electoral Roll must be updated. This means that everyone who considers themselves a member of St Mary's Barnes needs to complete a simple form within the next few weeks. There are forms at the back of church. Please take a couple of minutes to fill it in and leave it in the box as you leave. Completing the form carries with it no duty or obligation. It simply is a statement that you are a proud member of the congregation.

## Our charity this month: Under Tree Schools

St Mary's is helping to educate and feed 400 South Sudanese girls. Do stay after the 10am service today to talk to our friend Joseph Ayok-Loewenberg, who founded one of the first ever schools for girls in South Sudan.

St Mary's was and is a major donor for the school - our funds helped build it and keep it running.

Ask Joseph how it keeps going despite political and economic collapse in South Sudan. There is no Government money any more to pay the teachers, and the cost of living has sky rocketed. Well over a third of the national population are refugees. The UN calls it one of the most serious humanitarian disasters in the world. The competing warlords have been fighting since 2013, causing huge insecurity in the country. Now there is a fragile cease fire and hopes of a new Government of National Unity. But there are still armed conflicts in a number of areas. The area round the school is more insecure than ever; and in 2018 many families from the bush have moved for safety to the town Malek Alel where the school is. So, there are more girls at the school than ever. Joseph is making a special trip to St Mary's to thank us and give us the latest news.

There is plenty of time after the service to talk to him.

**Lost Property – Last Chance!** accumulated over the last year is on display at the back of the church. Please reclaim your items by 4<sup>th</sup> February.

### Piano Recital - Wednesday 6<sup>th</sup> February - 1pm start

Piano music returns to St Mary's at lunchtime on Feb 6th. Barnes' own concert pianist, Anthony Hewitt, will play pieces by Schumann and some Bach transcriptions (before going on tour in Japan) and his pupil, the ever-keen Alistair McGowan will first play a selection of pieces by Mendelssohn, Debussy, Chopin, Field and Satie (before collapsing in a nervous heap). Entrance is free. All are welcome. 1pm (duration approx 1hr).

**Women's World Day of Prayer:** World Day of Prayer brings together people from all over the world to pray for justice, peace, freedom and mutual understanding. This years' service has been put together by the women of Slovenia (once part of Yugoslavia), and is an open invitation to all to come to God's table. Through the voices of mothers, girls, wives and grandmothers, Roma, migrant workers and refugees, we hear the story of Slovenia's political, social and economic history from its socialist-communist past to the present day. It is a service of music, singing and prayer. Its story holds up a mirror to all countries which have been torn apart by war and conquest, and the effect it has on the souls of those living through those times. Please do come on Friday 1st March at 4pm at St Mary's to this fascinating, moving service.
